Chic architectural, craftsmanship and design features create a stylistic yet warm environment. It flawlessly transitions between cape cod & contemporary styles, catering to quintessential indoor and outdoor southern California living. Luminous open floor plan with 11 feet high ceilings, massive architectural 9 feet french doors and impressive windows, presents seamless indoor and outdoor flow. Gorgeous expansive chef's kitchen with Wolf/SubZero/Bosch appliances, impressive Carrera marble island, custom cabinetry and walk-in pantry. Romantic master suit has fireplace and balcony, added bonus sitting area, and two master bathrooms with large double closets.
