Marvelous Spanish contemporary home. Through the massive iron front door you are led to multiple sitting areas, dining room, movie theatre, and the spiral stairway that features a stunning chandelier that hangs from top to bottom of both floors. In the lavish backyard a few of the many features include a basketball court, infinity pool, BBQ area, pool deck, covered patio, outdoor fireplaces, and multiple entertainment areas. The gourmet kitchen includes a spacious large island, a butler's pantry, Miele appliances, Thermador refrigerators, wine cooler, 60" Viking burner, and features custom cabinetry imported from Italy. All five bedrooms are en suite with Italian porcelain tile throughout the bathrooms. Once you retreat to the master suite, you are invited with open space and a perfect harmony of bedroom, bathroom, and walk-in closet. Fully smart home that controls music, lights, air conditioning, cameras, security system, etc.
