Inside you are welcomed with the perfect harmony of tasteful design and thoughtful layout. The gourmet kitchen includes a spacious large island and features custom cabinetry throughout, as well as a full walk-in pantry with excellent storage. All four bedrooms are en suite that feature Italian porcelain tile throughout the bathrooms, as well as views of the park. Walking through the dining and family area, the interior oak floors transition smoothly to exterior porcelain tile outside in the backyard. The large sliding doors that open up to the pool, spa, BBQ, and multiple sitting areas make this the perfect home to entertain. Fully smart home that controls music, lights, air conditioning, cameras, security system, and much more.
