Crafted through passion, love of traditional architecture and high end carpentry; blended with comforts and technology, making this truly a place called dream home. The residence is filled with rich details throughout and offers beautiful wainscoting, 9 ft custom doors, built-ins, custom hardwood flooring and 11 feet high ceilings. A gourmet kitchen is fit with luxurious Wolf & Subzero appliances, dining and breakfast nook, and carrera white marble kitchen island. The large and bright family room includes a grand fireplace and direct access to the outdoor terrace. Fully functioning covered outdoor patio & living area with surround sound just perfect for entertaining along with a pool and spa.
